

**2010 International Fashion Doll Convention**  
**The Wonderful World of Dizzy**

February 2010

Hey Gang!

I am very pleased that you will be joining me in Las Vegas, Nevada for the *2010 International Fashion Doll Convention*. Many will be attending their first fashion doll convention and we are very pleased to welcome you! I have planned many of the exciting activities normally and not normally found at conventions. You will find the Salesroom as well as workshops, seminars and surprises. The souvenirs and favors are planned to enrich your memories of the event.

Additionally, there will be a few unique events. One of these will be the *Artist's Gallery/Manufacturer's Exhibition* featuring the one-of-a-kind artist creations and exhibits of leading doll companies presenting their new line of dolls. Plus the exciting Freebie Grab Bags, possibly a Slot Tournament and A Treasure Hunt Through The Casino! And Double Plus, our Souvenir Shop will open right after the final night banquet so you can enter your names and be picked by lottery right there to purchase an extra souvenir and/or companion doll.

If you would like to contribute to the surprise element, prepare 310 goodie bag surprises or favors. (no plain business cards) Send them to the Bruce Nygren, 7882 McDowell Dr., Las Vegas, NV. 89129-5522 for inclusion in the bags. Put your name and email address on each gift so that you may be thanked properly and label the shipping box "**IFDC Goody Bags**".

Please make your hotel reservations as soon as possible at the *The Orleans Resort and Casino*, 1-800-675-3267. Mention that you are an attendee of the *International Fashion Doll Convention* and you will be charged for the first night's fee. You can take a shuttle to the hotel, or you may take a short cab ride to the hotel. You can easily get a cab or shuttle right outside the terminal by the luggage pick up. I would estimate the cab fee would be about \$20, and the shuttle is about \$17 round trip.

Please read the material in this packet very carefully. Pay attention to deadlines. It is a wise idea to keep copies of all the forms you send to us!

You must attend each event to receive your souvenirs and goodies. Plus your Name Badge **MUST** be worn at all times.

Registrations are non-transferable without permission.

**Check out our official website at: <http://www.ifdconline.com>**

**IMPORTANT!**

**A \$50.00 cancellation fee will be charged for all registrants requesting cancellation prior to June 1, 2010. After June 1, 2010, NO part of the registration can be refunded and there will be NO mailings of items and souvenirs from the convention.**

I look forward to seeing you in Las Vegas, NV.....if you have any questions, please feel free to ask!

# Rules and Regulations

## **Name Badges**

Attendees must wear their name badges at all times to gain admittance to any and all functions. If you do not have your name badge, not only will you be turned away from events so you can go back to your room to get it.....we'll also make you eat in the lobby or restroom on a snack tray.

## **Access to Convention**

Only individuals registered for the convention are allowed at the convention functions. An exception is salesroom access for convention dealer's non-registered helper. They will have a salesroom helper name badge though so they have access. All others will be shot and quartered on site.

## **Cancellations**

There will be a \$50.00 cancellation fee for anyone who cancels before June 1, 2010, After June 1, 2010, no part of the registration money will be returned and no convention goodies or souvenir doll will be mailed out. We have to make money some way since we already ordered all your meals and things and the homeless are real fussy!.

## **Convention Souvenirs**

In order to receive convention souvenirs, including but not limited to the convention doll, attendees must be present at the convention events at the time souvenirs are given out. No asking around what the goodies are so if you think they're junk you'll stay away to play the slot machines. No one who has made early flights that they have to leave the convention early will receive their souvenir doll and it will not be mailed. Buck the traffic just like everyone else has to do, no thinking you're special. Remember those that leave parties early get talked about.

## **Pets**

Pets are not permitted at any convention function. An exception is made for dogs assisting persons with special needs. Also if your mate has been called a dog, rat, snake, weasel or whatever, they will only be permitted at the events if they are a registered attendee, can speak English (or foreign language) and can prove they can pee without lifting one leg.

## **Cameras and Filming**

It is advised that you bring your cameras and video equipment to take home some memories of a special time and new friends.....not to mention the wild costumes.

## **Stealing**

Stealing is not acceptable at the IFDC. Anyone caught stealing (this does not include the soap and toiletries in your hotel room) will be prosecuted to the fullest extent and if that doesn't work, your hands will be cut off and put on display at the 2011 IFDC Exhibit! You've seen the display at the 2008 IFDC!!!!

## **Cranky A\*\*es and Snobs**

No cranky a\*\*es and snobs are allowed at the IFDC. If you're one of those, please leave the attitudes home and just come expecting to have a fun time....so everyone else can have a fun time also. Little goofs are fine....but no major, continuous, annoying attitudes allowed.

## **Attitudes**

Please keep the attitudes in check. Already some companies have reported seeing nasty posts on boards and they reserve the rights to keep those posting nasty remarks about them from attending their seminars or possibly the convention.

## **Safety**

Please remember safety at the convention and the IFDC is not responsible for injuries at the convention. Please be aware of your surroundings, especially those with motorized wheelchairs....we are not responsible for tire marks on your butts!

## **Purchasing & Checks**

Be wise....and unless you know someone really well, never pay for an item without receiving the merchandise right then and there. Be wise and know the person first before paying for something you will receive at a later date. Also, never take a check from someone you don't know, it's always better to play safe then be sorry later...no matter what tales or sob stories they may give you!

# Workshops and Seminars

**Janice Delp, I WANNA BE A ROCKSTAR!! \$20.00**

**JDCollects1@aol.com**

Do your dolls live on the edge? Prefer leather over lace? Join us in making your doll become a Rockstar! In this hands-on class you will learn techniques for tattooing your dolls and doing body piercings! All supplies will be provided in your kit except your doll of course! You can bring any type of dolls to tattoo, but depending on the locations and type of body piercing, we may not be able to pierce your doll in class if it's a hard-faced doll (like FR/Tonner etc.) You'll learn several techniques for body piercing from easy (applying "studs"....which can be done anywhere on any doll) to a bit more complicated (actually poking holes in your doll which we can't do in the class to the hard dolls). I would recommend for the piercing section of the class that you bring a soft doll like a Barbie or Ken so you can try everything! No real artistic skills are required for this class so come on in and learn something fun!

**Jakki Peters, TRADE SECRETS!!!!!! \$20.00**

**jakptrs@aol.com**

Hello Fashion doll lovers.

Please join award winning Diorama Artist Jakki Peters for a "pick her brain" class. She will show you some of her 1:6 scale furniture pieces and explain to you how you can make them on your own. You may also ask her for tips on any topics from her famed staircases to her working light fixtures etc. etc. Having a problem figuring out how to do something? Jakki is likely to know the answer, but if not maybe someone else in the class will know!

We will brainstorm together. Please bring a doll **SECRET** of your own to **TRADE!** Do you have a tip on hair, fashions, painting, re-rooting, accessories, sewing, printing, where to buy, etc. that you will share with the class? Have fun getting to know the convention attendees by sharing some doll tips and trade secrets. Are you a beginning collector without a clue? You may still come to learn from all the others attending who are willing to **TRADE SECRETS**. Who knows what we may learn.....

**Loanne Hizo Ostlie HOW TO MAKE A REMOVE-ABLE SIMPLE FABRIC FUR WIG! \$20.00**

**Tabloach@gmail.com**

How to make a re-moveable simple fabric fur wig for any type of doll!

This techniques will show you how to create a simple wig that is re-moveable for any type of doll, whether it be for BJD's, Tonner, Fashion Royalty, Barbie, Kelly, etc.....

No loose wigs! It'll always be a perfect snug fit!

Styles you will learn:L Long or short styles with techniques on how to trim and style, plus! Ponytails and Pig-tails!

Supplies will be provided....just bring a doll with a bald head and a pair of scissors.

# More Workshops and Seminars

**Durelle Brown, PURSES FOR YOUR DOLLS, PART II, \$20.00**  
**Durelle\_Deco@yahoo.com**

Back by popular request I will be doing part II of Purses for dolls. This workshop will take a different approach and go back in time to create the very collectible "Enid Collins" purses.

With their fun and whimsical designs and their witty names these popular 60's purses are super collectibles today, so why shouldn't our dolls want them too.

We will be making purses for our 12" and smaller dolls. In this class we will be making 2 purses. The first is the classic wooden box purse and the second is called "barrel" purse.

I have been doing research on these painted and jeweled purses, mostly out of my mom's closet hehehe...she has a ton of them. I have accumulated a large bank of photos illustrating the quirky designs.

I may toss in another folded purse like we did last year if we have time.

Kit will include all you need to finish 2 purses 1/6th scale.

As always bring to class a good pair of scissors, but not your best.

## **CIAO ITALIA! - \$10**

In a special Italian event, experience and enjoy the new creations from Mario and Gianni, Magia 2000, from Italy. A wonderful event enjoying tasteful wine, and some parmesan cheese, and more Limoncello! Of course, there will be tons of beautiful couture dolls of all kinds with Magia's elegant style. Don't miss out on spending a funny afternoon with our longtime friends, Mario and Gianni.

## **RANDALL CRAIG EVENT - \$10**

Please join us for the Randall Craig RTW event. Spend time with the designer and learn about his inspirations for this year's line. Be the first to see the highly anticipated 2010 Convention Collection and have a chance to pre-order the entire collection.

**Ava Plummer, FUN FOR EVERYONE! \$20.00**  
**AVAACREE@GMAIL.COM**

Come and have a blast playing games and winning prizes! We will play interactive games that have something to do with dolls. These are not games that test your knowledge, they are light hearted and based on your good luck. So if you need an hour or two of fun and laughter...this is the place for you!

# More Workshops and Seminars

**Renatta Rasmussen, IT'S A TINY WORLD, AFTER ALL, \$20.00**

If you love miniatures and creating realistic environments for your dolls, then please join us! This workshop is all about Re-ment and other minis that can make your dioramas look like the real thing.

Setting up a space for your dolls is only the beginning. Bring your camera (and instruction manual if you are still learning all its features) and we will practice some techniques to improve your miniature photography. You can also bring a doll (1/6 scale) if you want to photograph him or her in the diorama we'll have set up for practice. Just like last year, if you were part of the Re-ment Addicts Support Group, you'll also get a CD-ROM with a copy of the presentation, photo tips, and some new printables you can make yourself.

## Freebie Tables Donations

Those of you who have attended our 2003, 2004, 2005, 2006, 2007, 2008 and 2009 Convention were surprised by the "Freebie Tables" we had at the Opening Reception. We had changed the procedure for the 2008 IFDC Freebie Tables and it worked out beautifully, so we'll have it again at the 2010 IFDC!

This is a great way to clean out your homes of any doll related items you may no longer want for the Freebie Tables.

Items can be old dolls, fabrics, trims, books, magazines, accessories, beads, sequins, threads, miniatures, craft things.....just anything doll related or craft related and they do not have to be brand new items.....this is a clean up time for all. (Though you'll probably go home with more than you donated!)

You can either bring the items with you and drop them off at the Registration, or you can mail them to:

**Freebie Tables  
Bruce Nygren  
7882 McDowell Dr.  
Las Vegas, NV. 89129-5522  
Make sure the shipped box is labeled "Freebie Tables".**

**NO PERSONAL ITEMS MAILED TO BRUCE!**

Please let me know before June 1, 2010 if you will be donating so I can give you credit in the souvenir book. Email me at [jimfaraone@erols.com](mailto:jimfaraone@erols.com)

## **It's A Wee Wee World Opening Reception**

Come as a little kid dressed up as your nationality.....kilts, berets, sombreros, Kimonos, turbans, etc. Let your little spirit inside come out and show off your heritage!

## **Villains, Vamps & Tramps Luncheon**

Come as your favorite villain, vamp or tramp and scare the bejeebers out of everyone!

## **Leather & Lace: Fractured Fairytales Dinner**

Get out that leather and lace and be ready to be harnessed up for a fun evening of fractured fairytales!

## **Malice In Wonderland Banquet**

Come as your favorite character from this delightful fairytale showing them in a new light!

**A prize will be given at each meal event for the best costume!**

**(Costumes are optional and not a requirement for events, so you reservists can relax)**

## **Midnight PJ or Dizzy Character Party Bowling Tournament**

Thursday Night in the Bowling Alley....Wear your PJs or come as a Dizzy character and join in with the other throwing gutter balls!

(PJs are optional, so you can still bowl in your regular clothes....just join the fun)

### **2010 International Fashion Doll Convention**

# **Souvenir Shop**

**We have the Souvenir Shop which will open after the final night banquet.**

Once the line is finished for purchasing the companion doll for the convention and/or registering for the 2011 IFDC a lottery will be set up for those wanting to purchase an extra souvenir doll or extra companion doll. Names will be drawn at random right before your eyes and the lucky names pulled will get to purchase extra dolls. You will be able to put your name in for an extra souvenir doll and/or extra companion doll.

### **2010 International Fashion Doll Convention**

# **Table Gifts**

Though not a requirement for this convention, it would be a nice idea to help out the table hosts and treat your table mates to a little gift at this event. If each person could bring 9 little gifts for the people seated at their table, I think it would make an exciting gesture from all. The gifts do not have to be big things. Fun things can be found in the Dollar Stores and who can pass up some little pieces of candy to munch on, or if you're artistic, create a little something for each person at your table. Again, this is not a requirement, but a fun thing for everyone.

# Midnight Dizzy Characters or Pajama Party Bowling Tournament

**\$6.00**

Enjoy the fun at our Thursday Midnight Pajama or Dizzy Character Bowling Tournament at the hotel. You don't have to be a good bowler to enter and there's prizes for the best team....and other mementos will be given out.

**Deadline to enter June 1, 2010 or until filled**

## Raffle Donations

**As you may know, the registration fee never fully pays all the bills for a convention. The raffles help pay the extra expenses so any donation of raffle prizes would be greatly appreciated. Anything doll related is perfect for a raffle prize. If each person just donated 1 raffle prize it would make such a wonderful raffle room to behold! But of course more than one raffle item per person donated would be SUPER!**

Name: \_\_\_\_\_ Email: \_\_\_\_\_

**Number of Raffle Donations:** \_\_\_\_\_

**Please send all raffles to: Bruce Nygren, 7882 McDowell Dr., Las Vegas, NV. 89129-5522 and please mark the front of the box "raffle items". Also on our Yahoo group, in the Files section there is a raffle card to fill out with your name, email address and item you're donating to tape to your raffle donations. **You can also bring your raffle donations with you and hand them in at Registration.****

## Goody Bag Donations

If you would like to send or make things for the goody bags, you would need to send 310 items. Items in goody bags are a great way to promote yourself or your work. Just no single business cards, though your business card could be attached to your items.

**Deadline June 1, 2010 or you can bring it with you to the convention, but goody bag items must be brought to the workroom the Tuesday morning at 10:00am before the convention.**

# Convention Yahoo Group

<http://groups.yahoo.com/group/IFDCinfo> (non-registered)

<http://groups.yahoo.com/group/IFDCConvention> (registered for the 2011 IFDC)

Why not join us on the official Yahoo groups for the convention. This is where you'll find further information on the convention as time moves on and you'll get to meet, and have fun with others attending the convention. It is important to join one of these groups, since this is where you'll receive all the information for the convention.

**Once registered for the 2011 IFDC, that group gets a head start in playing the monthly contests!**

## Centerpiece Dolls Donations

The convention can always use centerpiece dolls for each meal event. The centerpieces are usually OOAK dolls created by the artists and companies donating dolls from their line for the tables. People will win these dolls at each event. In all we need about 114 dolls, so if you're willing to create a centerpiece doll(s) please let me know. The convention themes are: Villains, Vamps & Tramps....Fractured Fairytales.....It's A Wee Wee World.....Malice in Wonderland, but you can still create any themed doll you would like, and **does not** have to fit with the convention themes. **All dolls are welcomed!**

## Business Card Ad in Souvenir Book \$5

**Those who contribute a raffle prize, goody bag items, auction doll, etc. the ad is free**

Send a business card and the information on your card will be added to the souvenir book. It's a great way to get noticed by the conventioners. Just the wording will appear on the ad, so basic information is all that's needed.

**Deadline is June 1, 2010**

## Slot Tournament \$20
